REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: in independent claim 1, the recitation of a motorcycle comprising left and right frames and a muffler being disposed on the rear portion of a vehicle body frame between the left and right rear frames and in independent 11, the recitation of a rear structure adapted to be used with a motorcycle comprising left and right rear frames disposed above a rear wheel and forming a space therebetween; a muffler disposed on a rear portion of a vehicle body; and said muffler being tapered from the upper portion towards the lower portion when viewed from the rear and being disposed with said space formed between said left and right rear frames in combination with the rest of the recited elements, clearly defines over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. U.S. Patent 6,745,863 to Tsukui, et al teaches an exhaust system comprising some features in common with the present invention.
